

HOW TO CONDUCT A STAR TEST FOR YOUR CLUB

- NCCP Instructors and coaches can examine their own athletes from Star 1 - 4. Examiners are required for Stars 5 and above.
- Star examiners and/or judges for testing a class are available to registered clubs and pools only. Instructors must contact the star examiner or judge at least **two weeks** before the testing date. (An examiner is someone who has taken Synchro Canada Examiner or Judge courses.)
- Contact Synchro BC for a list of Examiners and Judges.
- When contacting an Examiner or Judge, the Star Test Co-ordinator must include the following information:
 - Name of the contact person
 - Date and time of the examination
 - of the pool time
 - Name and address of the pool
 - Number of candidates being tested
 - Star level for each candidate
- The Star Test Co-ordinator must fill in the full name of each athlete being tested on the test sheet **before** the examiner or judge arrives. Current Star Test sheets are available at the Synchro BC web site.
- The examiner or judge must record the marks for the skills performed, pass or fail the candidate, and sign and date the test sheet for each athlete.
- The Star Test Co-ordinator or coach must return the test sheets to Synchro BC along with a check for the star pin fee. Star pins are \$5 and Superstar pins are \$6 plus 8% fee for shipping and handling.

Star and Superstar Pins are sold only to currently registered Competitive Clubs or Recreational Programs who send in their test sheets listing registered athletes. Pins will be withheld from athletes who are not registered members.
