DETAILS

- Students do not have to be in a specific grade to receive that grade's credit. For example, a grade 10 student who is competing on a provincial team going to a national championship will receive credit for Athlete 12. Likewise, a grade 11 student who competed in the BC Games while he/she was in grade seven will receive credit for Athlete 10.
- Students who have participated in approved programs before they reach grade 10 can receive credit for their past participation by obtaining written documentation to verify their participation.
- Once a student has received credit for a particular level within the athlete, official or coach categories, he or she cannot receive additional credits for duplicate participation.

HOW TO EARN CREDITS

- Check to see if your course/program is approved to receive credit in the External Sport Credentials Program.
- Obtain written documentation from your provincial or national sport organization of your participation in the eligible sport program.
- Provide the documentation to your school counselor.
