## Satisfaction Survey

Hi everybody!

I'm Eva the new Intern at Synchro BC since August 2008. I'm now busy with setting up a satisfaction survey to find out about what you think about Synchro BC. This information will be used to improve the way Synchro BC acts and deals with business and sportive matters and to make it a better organization.

Next week I will email a questionnaire to everybody and I would appreciate if you could fill it out. Please return the filled out questionnaire no later than Thursday November 6<sup>th</sup> 2008. I hope you will have some time to cooperate with this satisfaction survey, because the more information we get the better and more realistic it is.

This whole project is also one of my main tasks for my study back in Holland.

Thank you very much!
