JOB SUMMARY

The Regional Coach – Island will be given the opportunity to lead training and development sessions and mentor coaches & athletes throughout the region.

Synchro BC will hire three regional coaches (RC) to travel to each club in their respective region once between October 2018 and June 2019. Synchro BC will pay the following in relation to each RC position:

- 1) Forty-five (45) minutes of planning per visit;

Note: If a club wishes to hire the RC for longer than the allotted time, they are welcome to do so at their own expense and in consultation with the Regional Coach.

The club requesting the Regional Coach visit is responsible for identifying specific areas of development required for their club, booking/paying for the pool time and communicating their needs to the Regional Coach no less than one week prior to the visit. *It is recommended that the club use existing pool time to minimize additional cost to their club.* The Regional Coach will create a lesson plan based on the needs identified by the club. In the event that the time allotted will not permit all of the needs to be addressed, the Regional Coach will prioritize the training plan in consultation with the club.

Each club will submit a Regional Coach visit request to Synchro BC **no later than January 30th, 2019**. If a club does not request a visit by this time, they will not be able to use their visit for the 2018-19 season. The Sport Development Director will advise the Regional Coach of all requests.
